

letter as I am about to
Get sick from this change
in temperature. I have been
nearly sick ever since I got
your letter and heard you
were sick, How are the little
girls getting along.

Well Sweet Heart I must close I
could write a good deal longer
but I know you would get
tired of reading it when you
read this you think I am crazy
sure enough tell me if you think
I am right. I will close

Yours Everlastingly
Write soon
